Why choose ZALAL MOWAFAQ

01

20 years of experience

Two decades of knowledge and manufacturing experience behind every drink we produce.

02

German technology

Our production is built on German technology.

03

Advanced production lines

Modern production lines and equipment for soft drinks, iced tea and energy drinks.

04

Selected ingredients

Selected ingredients sourced from Austria and Germany.

05

Halal certified

World Halal Trust: MS 1500, GSO 2055-1 and OIC/SMIIC-1.

06

GOST standards

Produced in accordance with GOST 28188-2014 and GOST 34975-2023.

07

Quality at every stage

A professional team and strict quality control at every stage of production.

08

Built for export

We are expanding our sales geography and strengthening our position in international markets.

Why importers work with us

We supply importers and distributors in Russia, the CIS and other international markets directly from the manufacturer – from the first enquiry to loading at the factory.

No minimum order

Start with the volume that suits your market – there is no minimum order quantity.

Direct from the factory

For export you deal directly with ZALAL MOWAFAQ, the manufacturer.

Trilingual labels

Labels: Uzbek · Russian · English on every can

Export documents

Certificate of Origin provided for every export shipment; copies of Halal and conformity certificates on request.

Capacity to grow with you

Can line up to 60,000 cans per hour (250 ml); Tetra Pak line up to 7,000 × 1 L packs per hour.

A full range from one supplier

Soft drinks, mojitos, iced tea and energy drinks: 18 drinks, 20 SKUs in 250, 300 and 450 ml cans.

A growing portfolio of brands

Several registered brands – three are currently on the Uzbekistan market: MANI, HERO and ATTACK. SAMIMI is registered and coming soon.
